

**CASUALTY** . . . Paul Held, El Camino quarterback, gets an assist off the gridiron after a second quarter leg injury. Teammates are Jack Chronister (69) and Jack Ray (72).

### Dominguez Gets All-Star Honor

Frank Dominguez, 2013 Arlington avenue, made the all-star California Collegiate Athletic Association second team and received honorable mention on the Little All-Coast squad chosen by United Press, it was announced last week.

A junior at Santa Barbara College, Dominguez is a defensive guard.

He graduated from Torrance High School in 1946 and attended Compton College and USC before settling down at Santa Barbara.

#### HONEST HUNTERS

"We still insist if every hunter were honest with himself and his fellow gunners, game law violations could be brought to an end in a single season."

## Tartar Grids Hail 'Mouse'

Boyd Crawford, a pint-sized sleight of hand artist who during most of Torrance's grid games this year passed without protection and ran without benefit of interference, received his reward last week.

Teammates on the Tartar varsity, in what might be described as their most unified drive of the season, voted their quarterback and co-captain the team's most valuable player. Possibly more significant, they coupled the distinction with awarding Crawford the Ray Rickhart Sportsmanship Trophy.

For "The Mouse" the plaudits were well deserved.

He played almost every minute of every ball game and he fought to win during every second he was on the field. Ironically enough, his "sweet" performances almost invariably turned "sour" in the minds of the fans who judge games by final scores and not by performances.

If such a thing as a real triple threat football player remains in this day of the double platoon, Crawford is that player. He runs hard and with deception; his passing accounted for more than half of the team's total gained yardage during the season; he punts well and is a better than average conversion kicker.

These talents were apparent despite the disadvantage of playing on a team which—like himself—was outweighed and outmanned by five of its seven Bay League opponents.

Fresh, heavy linemen would charge "The Mouse" as he attempted to pass in play after play. And yet the agile quarterback was seldom thrown for a loss. He is a hard man to trap.

And yet, above all his gridiron attributes, there remained one virtue which was outstanding. Boyd Crawford is a real "team player."

This is what the Torrance varsity remembered when they hailed him last week.

**MAC HELLINGS** . . . Track Burner

### Bay Loop Champs Bumped 27-19 In CIF Playoff

The stroke of midnight came with astounding suddenness to the Bay League's Cinderella team as the Leuzinger Olympians, crushed by a 20-point first period outburst, lost 27-19 to Santa Barbara Friday night.

More than 10,000 fans jammed Sentinel Field, Inglewood, to see the CIF playoff.

After spotting the Santa Barbarans the score of points, Leuzinger went to work. Behind the agile passing arm of Quarterback Don Paulsen, the Olympians scored three times while holding their opponents to seven points. But their strength was too late and too little.

**PRECAUTIONARY STEPS**  
"Tomorrow the deer problem will be one of starving animals and ruined ranges unless quick steps are taken to control the deer herd rather than merely protect it."—Clay Schoenfeld, Field and Stream Magazine.

**CAT, ENEMY OF WILDLIFE**  
"Man, a predator, can help restore Nature's balance by fighting other predators who are in competition with man, such as wildlife's public enemy number one: the uncontrolled house cat."—Collier's magazine.

his own mark (this Sunday afternoon when the AAA big cars roar again on the new one-half mile Carroll dirt platter. The mark all the boys will be attempting to lower is 22.18 seconds.

Troy Ruttman and Johnny Mantz off their showings two weeks ago appear to be Hellings' closest rivals in the time trials although Mantz with the second best time sat in the trophy-dash with Hellings and bested him in the three-lapper then Ruttman won both the fast heat and the 40-lap main after gruelling battles with Mantz.

**DUCKS THREATENED**  
"Unless steps are taken to stop current illegal shooting of ducks and geese it will not only wipe out the increased population but will so deplete the brood stock returning to the nesting areas that the shortage next season may be the most critical in our history."—A. Willis Robertson, U. S. Senator from Virginia.

### Cagers to Open Season Against Cathedral Here

Coach Cliff Greybehl's Torrance varsity basketballers will take to the hardwood at the school gym tomorrow afternoon in the first of a series of five practice games preparatory to the Bay League season opener against Inglewood on January 6.

Opposition, possibly more than the locals can handle will be provided by Cathedral School of Los Angeles. Varsity game time is 4 p.m. The B team game will start at 3 p.m.

Slated to take the floor in Greybehl's starting lineup will be Dick Carrow and Wimpy Chambers at the forward posts, Bill Wernet at center, and Aramis Dandoy and Wendell Vaughn at the guard positions.

Capable reserve strength will be supplied by Ronnie Higgins, who was high scoring forward for the B's last year, Lefty Wayne Scholl and Norman Stock, both forwards.

Although his squad looks promising, Coach Greybehl, in a pessimistic interview, declared he "would be happy" if his stalwarts finished in the Bay League's first division.

### Rose Offer

The eastern bid to the 4th Annual Pasadena Junior Rose Bowl football game December 10th has been awarded to undefeated and untied Little Rock Jaysee of Arkansas.

The selection of the powerful and colorful Little Rock squad was made by the Board of Management of the Junior College classic after an all day meeting Saturday in the Huntington Hotel.

### Grid Captains Named by Squad

Aramis Dandoy and Jack Faren, the Tartars, twin half-back ground gainers have been elected by the teammates as co-captains of the grid squad for next season.

At the same time they voted
